Boys and Girls
Come Out to Play
Hello, dear boys and girls.
Let’s all go out to play!
The sun is shining bright.
Why don’t we start the day?
We’re all together now.
Hello to all of you.
I’m happy to be here,
With lovely kids like you!
We’re having so much fun!
We’re doing awesome things!
Like going to the park,
And playing on the swings.
Let’s get on our bikes.
We’re going for a ride!
Now let’s go down the slide,
Before we say good-bye.

Boys and Girls Come Out to Play
Now let’s sit on the grass,
And play with our toys.
Pretty dolls and shiny cars,
For the girls and boys.
It’s time to go back home.
It’s time to leave the park.
I think we have to rush,
Before it gets too dark.

Boys and Girls Come Out to Play
We have to brush our teeth.
We have to go to bed,
So sweet and magic dreams,
Can come and fill our heads.
