**Today’s message board topic:** What’s your favourite music? And your favourite way to listen?

---

I’m into rock music. My favourite groups are Mayday Parade and Red Hot Chili Peppers. They’re both famous American bands. I listen to music all the time when I’m at home and when I walk to school. I don’t listen to it when I’m in lessons, of course! I download a lot of music, but I’ve got a record player and a collection of vinyl records, too. They’re old-fashioned, but they’re cool. I like the ones in bright colours best! **Adriano**

I usually wear my headphones and listen to tracks on my mobile. I’ve got new green headphones. They’re big, but they aren’t expensive. My sister loves One Direction and she goes to a lot of their concerts, but I don’t like them. She likes pop music and I prefer hip hop. The Black Eyed Peas are really good, but Brazilian hip hop is the best. **Jessica**

I enjoy dance music and I love breakdancing. I’m not very good, but it’s fun. I use online music sites and I watch a lot of music videos on my phone. I copy dance moves from friends or from videos. I practise in my room and I want to be in a video one day. My favourite track ever is Happy by Pharrell Williams. I think the music video is great. It’s a really happy song and I always dance when I hear it! **Kolya**
